Greetings in the name of our Lord and Savior Jesus Christ, Today is Baptist and Reflector Sunday in churches all across the state of Tennessee. When I think about the B&R a word comes to my mind and that word is **FAITHFULLY**. The Baptist and Reflector has **faithfully** told the stories of how God is working in the state of Tennessee, across the United States and around the world since 1835. That is 191 years of inspiring people through the printed word. Hearing the stories of God’s working encourages us in our own walk with Jesus.

That is also one of the things that I enjoy about Sunday school, hearing people tell their stories and ask for prayer or give thanks about things that are going on in their lives can be inspiring as well. I truly believe this brings us closer together as a church family, lets us know that we are loved and cared about, and brings us closer to Jesus, as we hear these stories of how God is working. Once again, I hear the word **FAITHFULLY**.

God has of course used Sunday school to bring people closer to Jesus for far longer than 191 years. It is in Sunday school where people study together, pray together, and hear stories together **faithfully**. We get to know one another in church as we serve together and certainly Sunday school can be a big part of that. Being involved helps us grow in our faith, gives us opportunity for service, and lets us know that we are loved and cared about. It also gives us a chance to love and care about people as well. Sunday School is very important. If you aren’t presently involved in a class, I would encourage you to get involved. We have great teachers here for all age groups who **faithfully** walk through the Bible with you and will ultimately point you to Jesus. Consider becoming **faithfully** involved in Sunday school. It is a great resource for your walk with Jesus.

The B&R is also a great resource in your walk with Jesus. It has devotionals in it, as well as news stories detailing how God is moving. It also has many columns and articles in which people tell their stories and share about God’s work in their lives and through their churches. When you read these stories, you become inspired in your own walk with Jesus. Once again, it gives you a chance to do as the Bible says and rejoice when one another rejoices. Doing this encourages us in our faith and brings us closer to Jesus. God has been using the Baptist and Reflector to **faithfully** share His message for almost 200 years. Would you consider reading it, it will certainly help you grow closer to Jesus, the one who **faithfully** loves you.

In His Service,

Pastor Jon

PRAYER PROMPTS for week of April 20:

- Pray for those without Christ to forsake their old ways and unrighteousness thoughts and turn to God (Isaiah 55:7); and
